

EXPAT WELLBEING INDICATOR

Blijf concurrerende gemeenten een stap voor

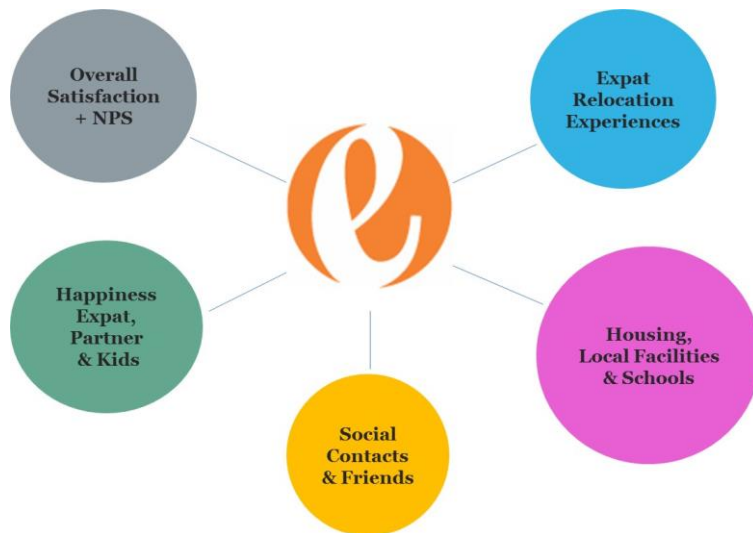

- verstevig uw imago als internationale vestigingsplaats
- verhoog tevredenheid van expats, partners & families
- verdiep samenwerking met internationale bedrijven ter behoud en verdere uitbreiding van hun aanwezigheid
- vergroot uw succes met het binnenhalen van nieuwe buitenlandse bedrijven

1^e professionele meetinstrument voor lokaal gebruik: “Hoe aantrekkelijk is uw gemeente op de expat markt?”

De Expat Wellbeing Indicator (EWI) is speciaal ontwikkeld om het welzijn van expats binnen een gemeente (of regio) te meten.

Het unieke EWI-model

Onderscheid in lokaal beleid

De 5 determinanten worden gevoed middels een (Engelstalige) online enquête van ruim 100 vragen.

Naast inzicht in het lokale welzijn van expats worden ook aanbevelingen gegeven voor concrete verbeterpunten.

Natuurlijk is het mogelijk om een aantal specifieke vragen over uw gemeente toe te voegen aan de standaard vragenlijst.

Doet uw gemeente mee?

EXPAT WELLBEING INDICATOR - (Uw Gemeente) Expat Survey 2018

Your relocation experiences matter!

The Municipality of (uw gemeente) is committed to providing a positive living experience for international employees and their families, who have chosen, (uw gemeente), as their city of residence. We are proud to have so many nationalities living within our local borders and we are continuously looking to improve our services and support to help expats settle into our community more easily.

Together with the Province of (uw provincie), expats organisations such as (lokale organisaties), local and international businesses, we are interested in understanding your experiences and opinions. How easy was your relocation? Are you satisfied with the amenities (uw gemeente) has on offer? What are your concerns and which improvements could be made?

You are personally invited to participate in our 1st extensive expat wellbeing survey!

Please go online to: www.expatswellbeingindicator.nl/expatsurvey by entering this address into your command line. (Please note that you cannot enter this survey via Google and/or other search engines.)

Please use your personal login code: EW117RE01F to start the survey.

What will happen with your information?

All your answers will be recorded anonymously and they will be used for statistical purposes only.

Any further questions?

Please contact the helpdesk of Expat Wellbeing Indicator by sending your email to: helpdesk@expatswellbeingindicator.nl

At the beginning of the survey, you will be asked some introductory questions to ensure the survey can be customised to your personal situation. If more residents are registered at your address, for example your partner and/or children, you will only need to complete this survey once.

Thank you so much for your participation, we very much appreciate your efforts!
